Troops wer on guard at the by thermometers standing in the sun. the pavement. Several friends who happened to be in his store chaffed the doctor for making such a suggestion. rived at the penitentiary in the cus- and finally he said he would prove to doubters that he knew what he was

The thermometer outside his store onder the sun's rays at that moment registered 120 degrees. The doctor figured that the radiation of heat from the concrete, which fairly sizzled under old Sol's attention, meant that the degree of heat on the pavement itself was near to 150 degrees. Accordingly he took the egg, and, picking out a place that was without any protection from San Francisco for Nagasaki and from the rays of the sun, tapped the shell and let the contents fall on the flery concrete. He held his watch while the hot asphalt underneath the egg and plies. Never has so large a number of the rays of the sun over its surface horses been shipped from the Coast on gradually completed the frying process.

The thermometer that stood out in commodations on the four decks of the the sun about 1:30 stood at 130 degrees. transport, the trip across the ocean is while a number of reports of 104 to 109 degrees in the shade have been made.

LOCAL BELF GOVERNMENT.

(Hawaii Herald.)

Assistant Superintendent Rowell of ten a resident of Hilo that "the loan current receipts, cannot be made until after the Legislature meets." A strongmeagre sum for improvements that august body simply ran a bluff on Hilo and won out. The difference between appropriation and authorization is ap- above quoted, are as follows: parent and exceedingly plain to every resident of the island and the action \$3,000. of the Council of State is an object lesson for the people. Improvements on this island, except to a limited extent. have ceased; the loan fund amounting to nearly one million dollars has been expended on Improvements to Honoiulu, improvements which should have rived from Manila Sunday night, will been paid for out of he pockets of the Oahu, people who live there and enjoy the benefits to be derived from a finer posbe loaded with commissary supplies office, better streets and more perfect sanitary arrangements. The citizens steamer Thyra, Captain Edvardsen, of Kauai, Maui, Lanai and Hawali, finished discharging her Oriental cargo should not be called on to pay a prorata expense in this connection any more than to the expens cof maintenance of a band which is used princiers and at birthday anniversaries of Auction: ish steamer Belgian King for \$12,416,- Government officials. Affairs on this 66. Of the total amount \$7446.65 is island today are decidedly un-Ameripairing the steamer after her collision istry and the Council of State mingle in harmony and chuckle over Hilo's discomfiture. It is to correct such able semi-annually in advance. evils as this failure to appropriate that causes the Hilo residents to cry out for reform and demand a more equitable distribution of public money for public improvements. Such distribution may be had only by establishing local self to the Legislature from this island who does not first pledge himself to sup-
